Sunburst Convertible - 250 W

Model: eco-4430

Sunburst Convertible - 250 W

Manufacturer: HydroFarm

Sunburst Convertible - 250 W (eco-4430) Sunburst 250W HPS/MH Convertible
Sunburst Light System

Convertible - Runs HPS or MH bulbs

The Sunburst is a ballast and reflector in one unit. It will deliver more usable light energy for maximum plant performance and operate at cooler, quieter levels than any other compact system on the market.

25% brighter for faster growth.

Quieter with ISO-mount technology.

Air cooling options.

5 year warranty on ballast electrical components

Includes instructions, hangers and lighting recommendations.

LAMP NOT INCLUDED.

Sunburst Convertible Light Systems are popular for smaller growing areas. The completely self-contained design is lightweight and easy to hang with the included hangers. Constructed out of steel and lined with a high performance European specular aluminum, they perform like the big systems, but at a lower starting cost. Systems do not include bulbs.

SKU: SBC250
