Sunshine Advanced PLANT FUEL MAX FLOWERS QUART 1-4-5

Model: 732660

Sunshine Advanced PLANT FUEL MAX FLOWERS QUART 1-4-5

Manufacturer: -

Sunshine Advanced Plant Fuel Max Flowers 1-4-5

Sunshine Advance Plant Fuel Max Flowers formula is designed for use as a complete nutrient feed for the flowering/bloom phase of the crop cycle. Our Max Flowers formula is designed with a high phosphorus and potassium charge to deliver more energy to maximize your plants' flower and fruit production. Change over to the Max Flowers formula when shifting from vegetative to flowering cycle.
