Super Sprouter Propagation Domes

Excellent quality 4 and 7 inch tall propagation domes. Now has built in light tracks that fit most strip lights. Straight vertical sides allow use of all plant sites in a propagation tray. 2 clear vents in the top of the dome can be opened or closed to control humidity. Fits snugly on a standard 10in x 20in propagation tray. Replacement vents are used to replace lost or broken vents on your Super Sprouter® propagation domes.
