Super Sprouter Thermostat

Model: MI811

Super Sprouter Thermostat

Manufacturer: -

Super Sprouter Thermostat Get Your Seedlings Off to the Right Start! This excellent quality, reliable thermostat is designed to be used with the Super Sprouter™ Seedling Heat Mat or any other heat mat. It's precise control allows the user to closely control mat temperature & easily dial in the ideal germination temperature. Easy to use - simply plug the mat into the thermostat then place the temperature probe into your soil or under your seedling tray. 120 volt grounded plug.
