## T5 4' Reflector Kit

Model: hf-FLT54KT

T5 4' Reflector Kit

Manufacturer: HydroFarm

Hydrofarm T5 4' Reflector Kit (FLT54KT) The T5 High Performance Grow Light Reflector Kit includes uniquely designed hardware that allows you to link up to eight reflectors together in a daisy chain. Now you can easily create a light configuration tailored to suit your specific growing area. The T5 Kit fits most T5 fluorescent grow lights and includes special "linking" hardware.

Features

Super reflective interior finish directs more light energy to your plants

Increases efficiency of any T5 grow light

Hang it any way you like; use it as a center light, down light, or side light

Includes reflector and hardware (bulb and T5 strip not included)

Daisy chain up to 8 units and connect in numerous configurations
