Thrip/Leafminer Trap

Manufacturer: HydroFarm

Seabright Laboratories Thrip/Leafminer Trap (HGSLTLT) Don't get caught in a trap! You may already have introduced beneficial insects into your garden, but other devastating creatures may be making their ways in and wreaking havoc on your plants. Put up a strong line of defense with Whitmire's thrip/leafminer traps. These bright yellow and blue sticky traps come with a wire twist so you can hang them directly on a plant or branch -- without any damage. The long-lasting, weather-proof traps will attract a broad spectrum of flying insects, including aphids, whiteflies, thrips, leafhoppers, leafminers, and moths. Get "stuck" on the idea of using sticky traps to protect your plants.
