Tiger Bloom. 32 fl oz

Model: FE103

Tiger Bloom. 32 fl oz

Manufacturer: FoxFarm

Tiger Bloom is an ultra potent, fast acting, high phosphorous fertilizer that also contains just the right amount of nitrogen for growth and vigor. It is formulated with a low pH to maintain stability in storage and keep micronutrients available. Tiger Bloom can be used for both hydroponic and soil applications. When used as directed, Tiger Bloom encourages abundant fruit, flower, and multiple bud sets. Use Tiger Bloom at the first signs of flowering through harvest.
