Vegamatrix Prime Zyme, 5 gal

Model: hf-VX70030

Vegamatrix Prime Zyme, 5 gal

Manufacturer: -

Vegamatrix Prime Zyme is crucial to maximizing the potential of the Rhizosphere (root zone). Prime Zyme only contains food grade enzymes. Enzymes break down dead root mass, unavailable nutrients and decomposing organic matter and convert them into a usable form for your plants. Regular use guarantees your roots and their mycelia remain healthy.
