Vegetable & Fruit Yield Enhancer 16oz

Model: hf-ML21345

Vegetable & Fruit Yield Enhancer 16oz

Manufacturer: MICROBE Life Hydroponics

Microbe Life Hydroponics Vegetable & Fruit Yield Enhancer 16oz (ML21345) Get greater results with less fertilizer with Microbe Life/Vegetable & Fruit Enhancer - a unique soil conditioner that is unparalleled and superior to any other! Derived from an extremely rare and highly decomposed organic humus deposit, it provides a much healthier soil structure and an enhancement to the ability for plants to absorb nutrients.

- Provides balance to your media structure
- Contains live, beneficial micro-biology
- Lignin content provides the food source to feed the biology
- Contains trace minerals in a readily available form
- Contains high levels of rare earth humic acids
- Safe for use around people, pets and wildlife

Note: cannot be shipped to these locations: CA,IL,LA,MS,OK,OR,SD,WI
