## VermiBrix 2 Gallon Bucket

Model: hf-VCBRIX2

VermiBrix 2 Gallon Bucket

Manufacturer: Vermicorp Organics

Vermicorp VermiBrix 2 Gallon Bucket (VCBRIX2) This powdered molasses alternative is easy to use, 100% soluble, all natural and GMO-free. VermiBrix has all the benefits of readily available carbs in sugar form as well as rare earth minerals. These minerals slowly release silicon and humates to help protect the plant from nutrient's fluctuations and stress. Use VermiBrix by top-dressing around the plant stem, adding it directly to nutrient solutions or as an additional food source in compost teas. VermiBrix will work with any organic or synthetic fertilizers and hydro or soil.

Includes: 1 two-gallon bucket and 1 one cup measuring cup
