Vital Earth's High Nitrogen Bat Guano 9-3-1 2.2lbs

Manufacturer: Vital Earth's

Vital Earth's High Nitrogen Bat Guano 9-3-1 First used in Peru centuries ago, bat guano continues to be in high demand for its high level of nitrogen, which is extremely helpful for the vegetative growth of plants. 100% bat guano with no additives and promotes intense growth. Its lack of odor also makes bat guano more attractive than other types of fertilizer.
