Vital Earth's Powdered Glacial Rock 22lb

Model: 723495

Vital Earth's Powdered Glacial Rock 22lb

Manufacturer: Vital Earth's

Vital Earth's Powdered Glacial Rock Vital Earth's Powdered Glacial Rock 22lb (723495) Vital Earth's® Powdered Glacial Rock includes a wide variety of rocks containing a spectrum of trace materials that are collected and pulverized by the expansion/contraction of the glaciers. This product replaces key soil elements, reversing soil depletion. An excellent source of readily available calcium, iron, magnesium, and potassium plus trace elements and micronutrients. Increases phosphorus availability.
