Model: hf-ML23168

Vitamin & Amino Acids 32oz

Manufacturer: MICROBE Life Hydroponics

Microbe Life Hydroponics Vitamin & Amino Acids 32oz (ML23168) Microbe Life/Vitamins & Amino Acids contain a blend of all of the essential micronutrients and minerals required by many fruits, vegetables and plants. Many of these essential micronutrients and minerals may not be present in your current nutrient program. Vitamins are organic compounds made by combining basic elements that will help your plants flourish. Amino Acids are required by plants throughout all stages of growth. They are the true building blocks of all proteins. They are helpful when plants are under stress. The amino acids act as chelating molecules of essential nutrients during all stages of plant development. Cannot be shipped to these locations: AZ,CA,HI,ID,IL,KY,LA,MS,MI,NC,OK,OR,PA,SC,SD,TX,WI
