Vortex 14" V-Series 2905 CFM Fan

Model: hf-VTX14XL

Vortex 14" V-Series 2905 CFM Fan

Manufacturer: Vortex Powerfans

Vortex Powerfans Vortex 14" V-Series 2905 CFM Fan (VTX14XL)Vortex Powerfans are high performance inline duct blowers constructed from quality steel with heavy duty attractive hammertone powdered coat finish. The extended collar allows for easy duct installation and taping. Superior quality and smart design ensure vibration-free operation with balanced motorized impellers with permanently lubricated ball bearings. Include 6' power cords, and galvanized mounting brackets allowing both horizontal and vertical installation. Other features include:

Impact resistant, sound absorbing heavy gage steel casing

A rustproof hammertone powder coat epoxy finish

The permanently lubricated balanced motor ensures long life

100% speed controllable Factory installed 120V power cord

A worry free 10 Year WARRANTY

Aerodynamic design allowing more air flow

Heavy gauge steel casing with a hammertone powder coat finish, making it more sound absorbing and rustproof

High quality maintenance-free balanced motor, equipped with a mixed flow impeller, allowing an extremely quiet operation

100% speed controllable, easing air flow adjustment, allowing better balancing of the ventilation system

Extended collar and lip, allowing easy duct hook-up

Manufacturer's Product Information

MSRP each \$1399

UPC628507100155

Dimensions23 x 28 x 23

Price: \$922.90
