Model: eco-5226

White Flood Table 36" x 72" x 7"

Manufacturer: Botanicare

White Flood Table 36" x 72" x 7" (eco-5226)White Flood Tables

White Propagation Grow Trays - Botanicare grow trays are available in many sizes to suite most applications. The trays are 7" deep and are ideal for use with rockwool, grow rock or pots filled with growing medium.

Made from thick, durable, high-impact ABS plastic which prevents the trays from bowing or sagging.
