Model: ZL6146A

Zenport ZL6146A 6-Foot Long Reach Telescopic Fruit Harvester Multi-function Picker

Manufacturer: Zenport

ALL NEW! Zenport ZL6146A 6-Foot Long Reach Telescopic Fruit Harvester Multi-function Picker

The Zenport ZL6146A professional telescopic fruit picker features a soft TPR grip aluminum handle with safety lock and pole that extends to 6-feet allowing you to easily pick and reach fruit. Three "bruise free" soft rubber padded claws keep each piece of fruit safe from damage. Just hold the fruit and twist the harvester making picking fruit easy and fun. Harvest your entire crop without having to get the ladder. Features a 3-position telescopic pole which extends from 44-Inches, 56-Inches, and 72-Inches fully extended. An added bonus feature is for use with picking up bottles or litter.

Zenport ZL6146A Long Reach professional telescopic fruit picker features a soft TPR grip aluminum handle with safety lock and pole that extends to 6-feet allowing you to easily pick and reach fruit. Features a 3-position telescopic pole which extends from 50-Inches, 62-Inches, and 78-Inches fully extended.
