30 ml Nutrient Pump

Model: hf-HGNP

30 ml Nutrient Pump

Manufacturer: HydroFarm

Hydrofarm 30 ml Nutrient Pump (HGNP) Make your bottles of nutrients and other materials a lot more "handy" with our Hydrofarm nutrient pump. Just like the pumps you've used on body wash, soap, and other household essentials, this pump makes it simple to deliver just the amount you need. No more spills from trying to lift and pour heavy canisters -- just screw this pump onto the lid of a one gallon container and pump away. It also works on some of our 2.5 gallon nutrient containers -- ask your Hydrofarm product specialist. Pump down completely for a full 30 milliliter of nutrients, or do a partial pump to get just what you need.
