## Control Wizard Accurate pH 8

Model: 716578

Control Wizard Accurate pH 8

Manufacturer: Control Wizard

Control Wizard Accurate pH 8  
ACCURATE PH 8

Professional pH and Moisture Meter with 12" probe. Operation is simple. Clean the electrodes and place the meter into the soil. A pH reading is automatically displayed. Press the white button and a moisture reading is displayed. It works by utilizing the electronic ground field effect of the earth and two dissimilar metals. No batteries are required. 1 year limited warranty.
