LED Clone Shipper Classic

Model: dl-CS1001

LED Clone Shipper Classic

Manufacturer: -

Designed to support clones or young live plants, The Clone Shipper Classic plant packaging holds the plant securely in place during transit. What makes the Clone Shipper Classic different from other plant shipping containers? A LED light keeps the plant thriving and growing throughout shipping whereas other containers ship the plant in the dark. The plant shipping packaging allows the plant to breathe and continue to grow during shipment.

This design is patent-pending
