Plant Strapper Tapener

Model: hf-HGTG

Plant Strapper Tapener

Manufacturer: HydroFarm

The Heavy Duty Plant Strapper lets you easily and safely attach stems and branches to support stakes, lines, and trellises. It works for branches, vines, and stalks up to 1 ½" in diameter. With a squeeze of the handle, the Plant Strapper loops heavy-duty tape around your plant and plant support and secures them together. The Plant Strapper will save you time and effort in the garden. Includes:(2) Installed blade and replacement blade(2) Installed spring and replacement spring(1) Roll heavy-duty ½" W x 150' L plant tape(200) Installed staples

Price: \$49.30
