SUN SYSTEM® ECONOWING REFLECTOR™ WITH SOCKET & LAMP CORD

Model: 904465

SUN SYSTEM® ECONOWING REFLECTOR™ WITH SOCKET & LAMP CORD

Manufacturer: Sun System

Made with highly reflective textured aluminum and a heavy duty galvanized steel mounting bracket. Corners are rounded – no sharp corners unlike competitive gull-wing type reflectors. Reflector dimensions: 21-1/4 in long x 15 in wide x 4-1/2 in high. Pre-wired with lamp cord and socket. US Patent No: D545,485.

Price: \$27.14

Options available for SUN SYSTEM® ECONOWING REFLECTOR™ WITH SOCKET & LAMP CORD :

Extra Shipping Box: As we all know, couriers can be very hard on freight. As a precautionary measure, we are offering our customers the option of purchasing these protective over wrap boxes. The boxes are 150 lb kraft (brown color). The idea is that when the order is shipping, the printed master carton is put inside this box. UPS/FedEx/USPS will inevitably scuff up the outer carton but when the printed master carton is removed from the over wrap box, it will look nice and new
