Trellis Netting 5' x 15' (6" Mesh)

Manufacturer: -

Trellis Netting

Grow1 Trellis netting is constructed using flexible, durable, and nonflammable polyester. It is a great help for working with and training vine style plants. This netting handles more weight while remaining taught and providing excellent support. It's reach-through mesh design reduces damage to crops and makes harvesting easier. Grow1 trellis netting is an efficient and affordable way to support your next harvest. Because there's only one way to go Grow1!
