Vermicrop VermiKelp Kelp Meal Fertilizer 3.5 lb (4/Cs) (Special Order)

Model: 720908

Vermicrop VermiKelp Kelp Meal Fertilizer 3.5 lb (4/Cs) (Special Order)

Manufacturer: Vermicorp Organics

Vermicrop Organics™ VermiKelp is a microbial super food. Ascophyllum Nodusum has been used for centuries to nourish the microbes in soil, completing a process often overlooked; feeding the soil. VermiKelp results in better root development through the stimulation of microbial activity, these microbes break down fertilizers, the result being increased nutrient availability. A highly renewable resource, Vermicrop Organics™ VermiKelp will bring out the deep green color of aquatic plants in your back yard or indoor garden.
