-------	-------------	------	-------------

708550 EZ Sprayer™

\$119.95

4 gallon battery-powered backpack/floor use EZ Sprayer™ is designed to withstand the most demanding spraying needs. This heavy duty European-designed sprayer is safe, & easy-to-operate. It has shoulder straps for use as a backpack sprayer. It also features casters on the bottom so it can be rolled around on the floor. This sprayer is ideal for applying liquid fertilizer, nutrients, insecticides, fungicides, disinfectants, etc. Powered by a 12 volt battery, this sprayer is much more efficient than a manual sprayer. EZ Sprayer™ can be operated continuously for up to 10 hours & spray up to 100 gallons of liquid on a single battery charge which consumes only 0.3 kwh of electricity. The EZ Sprayer™ consists of a holding tank, a base, a battery, a mini-pump, a charger, a spraying system (rubber tubes, switch, spraying rod, nozzle), shoulder straps and rollers.

708588 Precipitator 360™ Sprayer 32 oz. Bottle

80

\$3.75

The Precipitator 360™ sprayer is equipped with a nozzle that rotates a full 360 degrees and holds that position to spray in any direction. By simply turning the nozzle, you eliminate the need to tilt the bottle. This improves efficiency, eliminates trigger failure and saves on product. So now you can spray up, down, left, right, under or over effortlessly.

SPRAYERS

DUROBLAST™ POWER SPRAYER

Code# Description

708520 DuroBlast™ 32 oz. Sprayer

MSRP

\$27.95

708525 32 oz. Refill Bottle

\$3.75

This innovative, easy-to-use product replaces traditional trigger sprayers that require manual pumping. Ideal for prolonged spraying applications, the DuroBlast™ significantly reduces finger and hand fatigue experienced with mechanical pump sprayers.

Comes with a rechargeable, battery powered spray nozzle and a 32 oz., wide-mouth bottle for easy refilling. The unit will dispense between 1 - 2 bottles on a single charge. The batteries are nickel-cadmium and designed to last for the life of the sprayer under normal operating conditions.

SPRAY CAN - AEROSOL - REUSABLE & REFILLABLE

Code# Description

708535 Aerosol Can 16 oz. Refillable

MSRP

\$18.95

This refillable aerosol can is non-polluting & environmentally safe. It can be used with almost any foliar feed or pest/disease control products. It holds up to 16 oz. of fluid & includes a 4 piece nozzle set.

It is pressurized by using any standard air source including bike or air mattress pumps or a compressor. All you have to do is add your liquid mixture & pressurize the can.
